PREFACE

THIS volume, the sixth cumulated volume of the Readers' Guide, covers approximately the years 1922-1924. The number of magazines indexed remains practically the same as in the preceding volume. The months included in the case of each periodical and notes of changes, etc. are given in the "List of Periodicals and Reports Indexed" which follows. A new feature is the list, printed on the inside front cover, with spaces for the call numbers of volumes.

Acknowledgement is here made to all who have assisted in the work of the Readers' Guide from 1922-1924. Miss Dorothy Goodman was managing editor to August, 1924. Miss Frances Purcell, Miss Grace Nolan and Miss Jeannette Connolly, have assisted in preparation of copy and other work. Special acknowledgement is made to Miss Elizabeth J. Sherwood, editor of the two preceding cumulations and of the current numbers to May 1924.
